## THE 11 O'CLOCK TOAST

You have heard the tolling of eleven strokes.  
This is to impress upon you that with us, the  
hour of eleven has a tender significance.

Wherever Elks may roam, whatever their lot in life may be,  
when this hour falls upon the dial of night,  
the great heart of Elkdom swells and throbs.

It is the golden hour of recollection, the homecoming  
of those who wander, the mystic rollcall of those who  
will come no more.

Living or dead, Elks are never forgotten, never forsaken.

Morning and noon may pass them by, the  
light of day sink heedlessly in the West, but  
ere the shadows of midnight shall fall, the  
chimes of memory will be pealing

forth the friendly message:

To Our Absent Members
